

WE 10/03/17

We would like to remind parents not to drop children off in the driveway in the mornings. This is essential in maintaining the safety of children. Pupils MUST use the correct entry gates only. Also the gates to the Year 5 playground will not open until 3pm and queuing causes a problem along the road

Can you use a sewing machine?

Are you available on a Tuesday morning 8.35 to 9.50?

I desperately need help with my Year 6 sewing group.

If you can help, please contact Mrs Cooke at the school.

Mother's Day Lunch

Unfortunately, due to issues with our kitchen facilities we are postponing our Mother's Day Lunch Celebrations to Wednesday 3rd May. Full details to follow in due course.

Easter Cake Comp

There will be an Easter Cake Competition on the Wednesday before we break up - 29th March. Pupils will need to bring the cakes in to the Food Tech room on that day.

On Friday 3rd

March a team of six of the science ambassadors went with myself and Mr Price to Stowupland High School, where they took part in the Faraday Challenge, the team had to come up with two ideas that could be used to make prototypes to help BAR land rover help the British team to win the Americas Cup Yacht Race. The team worked really well together each taking on different roles, using skills such as programming micro bits, accountancy and presentations. After producing their prototypes of a memory aid and a sensor saying how far the yacht was out of the water and presenting this they won.

Sports News

Sunday 5th March the U13 girls travelled to Grantham where they competed in the regional finals in Table Tennis, they went against a very strong derby school who had a national finalist in the individual competition. Horringer fought very hard and were unlucky to lose the match 6-2. They should all be very proud of what they have achieved by making it to the top 8 teams in the country. Monday 6th March the U13 girls and boys competed in the Western Area Handball competition. The girls were very strong and finished 1st place without losing a game and qualified through to the county finals on Wednesday 15th March. The boys had a very tough group and played some great handball, they narrowly finished 3rd place and just missed out on a place to the county finals.

Tuesday 7th March the U13 girls were out representing the school once again in the Rugby county finals. After the long journey up, they only had to face 2 teams in the group stages that led to the final. The girls won both of the group matches and faced a very big and strong Coplestone side.

The final was very close and could have gone either way but at the final whistle the scores were level at 10 - 10. After a few injuries the coaches decided that a draw was a fair result and so both Horringer and Coplestone have been crowned as county champions. Thursday 9th March the U11 boys Hockey team participated in the Western Area competition at KEGS. We had enough players to enter two Horringer teams an A and a B team. After 6 very difficult and competitive games, the Horringer A team finished in 1st place winning the competition and qualifying through to the county finals, the B team also competed incredibly well and found themselves finished in 3rd place.

Fire

Dance, fire, dance to your silent tune.
Move to the sound of light.
Burn, fire, burn all of my fear.
Glow in the winter night.
The fire lay low and looked soon to go,
Then the fire started anew.
The fire did dance, shadows did prance,
And away the dark night flew.

Riley Hutt

Dinner Credits.

Since the beginning of this term the school office has issued 260 dinner credits.

Currently 30 children still owe a total of £82.80.

To help avoid this

- If a pupil has forgotten their packed lunch or dinner money, they are asked to go to the school office at break time as opposed to waiting until the beginning of lunch.
- School will then contact home and ask if someone can bring in the forgotten packed lunch or dinner money.
- If this is not possible we will issue a dinner credit.
- We will be unable to repeat the issuing of a dinner credit unless the previous debt has been cleared.

We appreciate that on occasion there are issues with Parentpay. If you are experiencing any difficulties with this, please contact school and ask to speak to Amanda Gray
