

WE 15/09/17

**WEAR JEANS
CHANGE LIVES.**
FRI 22 SEPT

It's Jeans for Genes Day on Friday 22 September 2017, please wear your jeans to school and join in the fun! The money raised provides vital care and support for thousands of children with life-altering genetic disorders.

Please bring a £1 donation (or more!) for our collection box.

Put your jeans on and help us transform the lives of children with genetic disorders.

Roald Dahl Day.

Year 5 had a marvellous morning of sharing their experiences of the wonderful world of Roald Dahl. It was delightful to see Willy Wonkas and the Oompa Loompas working alongside Fantastic Mr Foxes, the smallest BFG ever seen and many more creative characters!!

Sasha Wilson

During the summer holidays Sasha obtained her Open Water Scuba Diver qualification. To achieve this, she had to study maths and science, understanding the mechanics of underwater breathing and decompression tables. Well done Sasha, a great accomplishment.

IMPORTANT

Parents please log in to your ParentPay accounts and complete the medical information form for your child. This needs to be completed prior to your child being able to go out on any fixtures or trips during or after school.

Please remember to click submit at the end of the form and you must still complete the form even if your child does not have any medical needs.

Many thanks

Mr Holmes

The school photographer came in to school on Thursday. Proofs and details of how to order photographs will be available shortly.

Year 5 Abacus Active Learn

Your child will be given their user name and password on Monday to give them access to the online homework that is set once a week. They will be shown how to access the programme during Monday's maths lesson. It is based on playing games that are related to the work in class. Teachers can check who has been on active learn and how well they did. If you have issues with the internet at home, pupils can access Active Learn at school during their lunchtime.

Thank you from the Maths Department

Year 8 French Trip: Monday 18th is the last day for the £25 deposit. We will be travelling on a collective passport rather than on individual passports as previously suggested
